1. Copyrights on the above article are transferred to UMI - Unione Matematica Italiana (Italian Mathematical Union), effective as of the date of this agreement, for publication in the Bulletin of Unione Matematica Italiana and, if that is the case, also in the others reviews or volumes published by UMI. The copyright transfer is not exclusive: the author may also publish the article otherwise.
2. The copyright includes the right to reproduce all or portions of the article, in any form or by any means, even in the form of an abstract, and to disseminate the article, and the material that it contains, both in Italy and all over the world, also by telematic means. The copyright transfer includes reprints, translations, photographic reproductions, microfilms, electronic formats (online and offline), as well as any other reproduction. The copyright transfer is for free.
3. The Author(s), for him/herself and for his/her heirs, successors and assigns, hereby warrant(s) and guarantee(s) that this article is an original work; that the Author(s) has/have full power and authority to grant the rights granted herein, in accordance with Act n. 633 of 22 April 1941 and ensuing amendments of the Italian legislation in force; that the publication of the aforesaid article on the part of Unione Matematica Italiana is in no way a violation of, or an infringement upon, any copyright or privacy right belonging to any third party.
4. The Author(s) likewise guarantee(s) and warrant(s) that the aforesaid article complies with the Italian legislation in force on privacy protection, as from Decree-Law n. 196 of 30 July 2003, (Personal data protection code) and with the provisions of Decree-Law n. 42 of 22 January 2004 (Cultural heritage and landscape code).
5. By signing this copyright transfer, the Author is committed to citing the Bulletin of Unione Matematica Italiana in all the others publications of article.
6. This copyright transfer agreement is regulated by the Italian legislation.
