1. At the time of signing this declaration, the copyright of the aforementioned article is assigned to the Unione Matematica Italiana for the publication on “La Matematica nella Società e nella Cultura - Rivista dell’Unione Matematica Italiana” and possibly in other works maintained by UMI, without limitation.

2. An assignment of copyright, free of charge, allows the UMI to reproduce, in whole or in part, in any form and under any condition, even in an abridged version, and distribute - also electronically - the article, and the material contained therein, in Italy and in all countries of the world.

3. The author guarantees that the contribution is original and does not infringe any third party rights, including in particular, but not only, any copyright on the images.

4. The author guarantees that the article does not violate the right of protection of personal data to third parties nor the provisions for the protection of cultural heritage.

5. Signing this assignment, the author also engages to cite the journal in “La Matematica nella Società e nella Cultura - Rivista dell’Unione Matematica Italiana” in any subsequent publication of the aforementioned article.

6. The author states that the published materials are in full and free availability and that he/she has acquired written permission to their publication by any third party having the right on them. In taking responsibility for the materials published, the author raises the “Unione Matematica Italiana” from any responsibility for them.

7. This assignment is governed by Italian law.

Place and Date _____ Signature _____
