

Eighth edition of the Gold Medal “Guido Stampacchia” Prize

The “International School of Mathematics «Guido Stampacchia»”, part of the “Ettore Majorana Foundation and Centre for Scientific Culture”, and the Unione Matematica Italiana announce the 2024 Gold Medal “Guido Stampacchia” Prize.

The prize consists in a gold medal, as well as in three years of UMI’s association dues. It will be awarded for outstanding research in the field of Variational Analysis and Applications to a researcher, whose date of birth falls after December 31, 1989 (included). This date will be decreased by one year both for each child born (or parental leave) and for a leave longer than six months due to health reasons.

Applications and nominations should include a motivation for the proposal and a curriculum vitae of the candidate. They must be e-mailed to dipmat.umi@unibo.it by April 15, 2024, and addressed to

*Al Presidente dell’Unione Matematica Italiana
Dipartimento di Matematica
Piazza di Porta San Donato 5
40126 BOLOGNA (ITALY)*

Award of the medal is made at the opening ceremony of the Three-year International Conference “Variational Analysis and Applications” in memory of G. Stampacchia which will be held in Erice (Sicily) at the “Ettore Majorana Foundation and Centre for Scientific Culture”.
